Tender for  
Engagement of Retired/Ex NTPC personnel for Chemical wing related works of thermal plants of MPPGCL

**1. Objective of Tender**

- 1.1. MPPGCL has four thermal plants under its aegis at Birsinghpur, Chachai, Dongaliya and Sarni. Units installed range in capacity from 210 MW to 660 MW super critical units.
- 1.2. MPPGCL intends to engage 07 numbers of experienced professionals having adequate work experience in Power plant chemistry works.
- 1.3. Accordingly, for improvement in chemical related works professionals shall be engaged and deputed to HQ Jabalpur & all TPS of MPPGCL for works related to thermal plant chemistry, works related to coal sampling & compliance of environment norms etc.
- 1.4. The request for submission of tender in no manner is a compulsion for engaging the persons. The interested persons in no manner shall become eligible, merely by submitting their offer for the same.

**2. Brief Detail of MPPGCL**

- 2.1. MP Power Generating Company Ltd, Jabalpur (MPPGCL) is the State-owned power generating company of Madhya Pradesh with its Head quarter located at Jabalpur having its running Thermal & Hydel Power Stations located at various locations in the state of Madhya Pradesh. The brief summary of existing thermal units in operation as on 30<sup>th</sup> April 2022 are as under:-

Station		Installed Capacity	
		MW	Location
Thermal Plants	Amkantak TPS	1x210	Chachai, MP
	Satpura TPS	2x250	Sarni, MP
	Sanjay Gandhi TPS	4x210 + 1x500	Birsinghpur, MP
	SSTPS	2x600 + 2x660	Dongaliya, Khandwa
	<b>Total Thermal</b>	<b>5400</b>	

**3. Scope of work :**

Scope of work shall be to provide expert services to MPPGCL for “Technical support in chemical wing related issues” of all thermal power station of MPPGCL, as under:

- To assist/support MPPGCL for maintaining effective operation of units.

- To provide technical advice to MPPGCL during operation of all units/various systems which shall also be reviewed / discussed during meeting for their implementation & to develop an effective system.
- Monitoring of SWAS system / grab sample readings / water-steam quality and report any deviation along with remedial suggestions.
- Daily monitoring of coal sampling being carried out and to suggest any improvement in procedure.
- The engaged personals have to be acquainted with applicable environment norms for thermal power plants and shall monitor their compliances.
- To assist for monitoring of running parameters of units, regularly to improve unit efficiency.
- To provide technical advice on reasons for deviation of operation parameters and ways to improve them.
- To provide technical advice on unit trippings during analysis and suggest suitable remedial actions if required.
- To provide technical advice on analysis of chemical parameters, root cause analysis of deviation with standard parameter and providing suitable recommendations.
- To analyze the O&M practices adopted in relation to chemical wing in thermal power stations and giving suggestions for improvement if any.
- The experts posted at HQ shall provide expert advice on various technical matters as and when required in all the Thermal power stations of MPPGCL. This shall include visits to all the power stations on requirement.
- Any other Expert advice required for O&M of plants.

#### **4. Period of Contract**

- The period of Contract shall be initially for 12 months starting from the date mentioned in the offer letter.
- The above period shall be extendable, on mutual consent with escalation of 5% per year on monthly remuneration.

#### **5. Termination / short closure of contract**

- 5.1 In the event when both the parties mutually agree to terminate the contract on account of force majeure or any other reason, the termination shall take effect from the date and time to be mutually agreed.
- 5.2 MPPGCL shall also reserve the right for short closure of the contract by giving one month's notice for any engaged personnel.
- 5.3 In the event of termination of contract, the charges shall be paid to you for all services performed up to the date of termination or as per actual.

#### **6. Earnest Money Deposit to be Provided by Bidders**

- Exempted.
